## *President's Message*

*by Sharon Gottovi*

Dear Friends,

**Welcome to Summer!**

Now that school is out for the summer, many families find the library a great place to 'beat the heat'. There are so many wonderful programs for both adults and children. You can find the link to the library calendar on our website.

We were honored to attend the meeting of the Fairfax County Library Board last month. The scholarship recipients for the year were announced and recognized. The Friends of the Centreville Library sponsored a \$2,000 scholarship. Our scholarship was awarded to Susan Pirnat. It was nice to see so many deserving recipients. Luis Aponte, a Centreville Regional Library Information Specialist was one of the recipients. What a great honor!

In less than two months, our Back to School Book Sale will be held. It will run from Friday, August 8th to Sunday, August 10th. This book sale is a great opportunity for educators in the community to stock up on books for their classroom libraries. We will offer a discount for teachers who present their school IDs.

We hope you have a safe and enjoyable summer. Be safe if you are traveling or enjoy some downtime on a staycation. Please stop by our featured category of the month 'Beach Reads' to find a great book for your summer reading.

## **Daily Operations**

Thank you to our volunteers who manage the book donations that come in to the library every day, and to those who maintain the Ongoing Book Sale in the hallway near the Meeting Rooms at the library. All of the books that are donated have to be sorted, cleaned, categorized and shelved to stock the Ongoing Sale or boxed for our periodic sales. The Friends of the Library put in many volunteer hours to ensure that all of that happens.

## FUN FACT

### Centreville Ranked Among Best Places to Live in the U.S.

Centreville made the list of the top best places to live in the U.S. according to U.S. News and World Report, along with Burke and Reston. [Centreville](#) ranked #165 in the U.S. and ranked #7 in Virginia due to the healthy job market, high median household income, and low unemployment rate.

# Volunteer Appreciation Lunch

On April 8, Centreville Regional Library held its annual Volunteer Appreciation Lunch, where many volunteers, including a good number of involved Friends, were recognized for their service to the library and library patrons, .

Individuals who were recognized donated their time ranging from one-on-one language conversation practice to reading time with toddlers.

This year's theme, *Hollywood Movies*, transformed the meeting room into a cinematic tribute, featuring movie posters with volunteers' faces cleverly inserted and walls adorned with stars bearing Friends' names. Though many Friends volunteers were unable to attend, a lively group filled two tables, enjoying an afternoon of recognition and camaraderie.

Outstanding food with a south of the border theme was served and everyone in attendance received a handy portable lantern/flashlight. This celebration was made possible thanks to donations from the Centreville Friends. If you were not able to attend, we really hope to see you next year!

# Library Foundation Scholarship Awards

Sharon Gottovi and Tara Lassiter attended the first part of the Library Foundation meeting on Wednesday, May 14, 2025, at which time those selected to receive scholarships (staff development, undergraduate and graduate) during the past year were presented certificates.
